GEBE

A large, ornate crystal chandelier is the central focus of the image. It features a complex arrangement of numerous clear, faceted crystals of various shapes, including long, tapered drops and smaller, round elements. The chandelier is illuminated from within, casting a warm, golden-yellow glow. The background is a dark, textured surface, possibly a wall or a backdrop, which enhances the brilliance of the crystals. The overall composition is centered and symmetrical, emphasizing the elegance and luxury of the lighting fixture.

GEBE

A large, ornate chandelier with multiple tiers of crystal prisms and gold-colored metal components, hanging against a dark, textured background. The chandelier features a central gold-colored metal body with several horizontal tiers of crystal prisms. The prisms are arranged in a way that they catch and refract light, creating a sparkling effect. The metal components have a polished, gold-colored finish. The background is a dark, textured surface, possibly a wall or a backdrop, which makes the chandelier stand out.
