The image shows three modern pendant lights hanging from a ceiling. Each light has a complex, faceted, geometric design made of thin, gold-colored metal rods. The lights are illuminated from within, creating a warm glow and highlighting the intricate structure. The background is a textured, light-colored wall.

The image shows three identical pendant lights hanging from a ceiling. Each light has a black metal frame in a triangular prism shape, with a single incandescent bulb inside. The lights are arranged in a vertical line. A white label with black text is overlaid on the left side of the image. A small white tag with the number '8535' is attached to the bottom light. The background includes a ceiling with a circular light fixture and a wall with a decorative pattern.

The image shows three identical gold-colored pendant lamps hanging in a diagonal line. Each lamp has a spherical shade with a complex, laser-cut pattern that allows light to pass through, creating a warm, glowing effect. The shades are connected to a gold-colored base by a clear plastic connector. The background features a wooden staircase and a wooden wall, suggesting a modern, rustic interior setting.
